Iowa Cutting Horse Association 2018 Sponsorship Opportunities

We invite you to become involved in one of the fastest growing equine sports in the world: CUTTING.

“The National Cutting Horse Association (NCHA) promotes and celebrates the cutting horse, whose origin on Western ranches allows us to support ranching and its western heritage.” The NCHA was formed in 1946 by a group of cowboys and ranchers with the goals of promoting cutting competition, standardizing contest rules and preserving the western heritage. In 1955, 300 NCHA events were held with total purses of \$190,000. Today, more than 2,200 shows are held annual with total prize money exceeding \$36 million.

The Iowa Cutting Horse Association is the state affiliates of NCHA. We work to promote the sport of cutting here in Iowa and the Midwest, hosting weekend events throughout the state and the Futurity Show in Waterloo in August. To encourage and recognize supporters of the Iowa Cutting Horse Association (ICHA), and the Iowa Breeders Cutting Futurity (IBCF), we offer these sponsorship packages.
